Balance core and elective courses for a well-rounded education.

NO

Project work must be completed at industry level.

More attention should be paid to holistic development of students

1. University shall provide annual pattern instead of semester pattern
2. Final year practice school guidelines shall be more precise and explanatory

ACTION TAKEN REPORT

Based on stakeholders' feedback in the A.Y. 2022-23, the institute established a systematic feedback mechanism to gather input from both internal and external stakeholders, utilizing online channels for the collection of valuable feedback.

It was decided,

- To arrange Industrial Visits for Industrial Exposure:
- To Enhance Practical Base in Syllabus
- To Conduct GPAT Test Series for Practice
- To Encourage Industrial Training
- To Increase Extra-Curricular and Co-Curricular Activities
- To arrange motivational speech.
- To incorporate Practical projects in the curriculum.
- To make balance between core and elective courses for a well-rounded education.
- To work on some small industrial projects for students
- To give demo on advanced softwares in our course which are possible to conduct in college.

These decisions collectively aimed to create a comprehensive and practical learning environment.
