### About Institute

“Rajmata Jijau Shikshan Prasarak Mandal, a public trust has been established in 2000 with single minded goal to impact value-based, student-centric education to the aspirants coming from urban and rural parts of Maharashtra. Trust has knitted together a network of educational activities within short span encompassing pre-primary to professional education. Diploma and Degree courses in Pharmacy were started in 2006 & 2007 respectively with an objective to provide high quality Pharmacy professional education affordable to ordinary element of the society.” We provide the best possible opportunities for the industrial exposure.

We are achieving this objective by inviting renowned professionals from the industry for guest lectures, arranging for the hospital visits and offering required training to our students and conducting industry sponsored seminars or projects. We would also be aggressively planning our campus interviews every year to achieve 100% placements of students wishing to work after completion of course.
