

# Training and Placement Cell

**Ms. Aishwarya S. Shinde**

Incharge, TPO  
RJSPM's Institute of Pharmacy  
Dudulgaon, Pune

The Training and Placement Cell is one of the integral parts of RJSPM, s College of Pharmacy. Training & Placement activities are organized throughout the year with a view to prepare the students to appear for the campus recruitment process with confidence. Training and Placement Cell is headed by Ms. Aishwarya S. Shinde, Lecturer at RJSPM's Institute of Pharmacy Pune under the Guidance of Principal sir and all faculty members Every year on the occasion of National Pharmacy Week'' we encourage students to participate in various competitions like E-poster presentations, debate, group discussion, essay writing, marketing, mad add, patient counselling, etc. we emphasize research work that helps them to represent the college in Avishkar'' competition. This helps to enhance the student's confidence, strong analytical and competitive skills The placement cell aims at making students the part of planning, formatting, and executing the day to-day activities of Training and Placement. It provides a platform for students to make it to the best and reputed industries and the primary objective of placing students in reputed companies even before they have completed their courses The students are trained in Communication and soft skills, Presentations, Writing skills, General knowledge etc. Training and Placement is an essential part of a developed and competitive institution, which is accepted as one of the most important departments of pharmacy institutions. Training & Placement Cell is having a team of committed experts who always come forward to impart invaluable suggestions for the betterment of the students. Placement Cell interacts with the reputed organizations all over the country for arranging campus interviews for the final year students. We make efforts to organize technical seminars, workshops and corporate expectation sessions.

## **TPO Message Goals:**

1. To improve the quality of students to get a good job.
2. To enhance the employ ability skills among the students to meet out the current requirement of Pharmaceutical Industry.
3. To improve the industry– institute relationships.
4. To enhance the students interest towards the entrepreneurship and business strategies.
5. To Improve the Skills and Knowledge of students
6. To give platform for the students to gain specific skills related to their subject of choice or domain to stay ahead of the competition by providing them with live projects, internships that provides adequate corporate exposure
7. To recognize the capabilities and hidden talents of the students.
8. To arrange Industrial visits for various departments.
9. To build self-reliance in students and develop the right attitude in them
10. To develop communication skill of students.

## **Objectives:**

1. Placements give students the opportunity for improvement of skills explicit to their subject or industry of choice as well as the employability skills required for real work
2. Students expand their knowledge of an industry or sector, which countenances them to make better well-versed decisions about future career choices.
