### Invitation

The 8th International Congress of the Society for Ethnopharmacology, India (SFEC 2021) (Globalizing local knowledge and localizing global technologies) is being organized by SFE-India Pune Chapter and Bharati Vidyapeeth (Deemed to be University) Poona College of Pharmacy, Pune, MH, India in association with All Pharmacy Institutions-Pune region & Society for Ethnopharmacology, India during 27-29<sup>th</sup>, August 2021 at Pune, Maharashtra, India. This congress will focus on "Ethnopharmacology & Medicinal Plants – Approach towards product development". The congress will be highlighting on several crucial and contemporary issues on the Ethnomedicine, Ethnopharmacology and Medicinal Plant Research by the renowned scientists across the globe. This will provide an ideal platform to the participants to present their research work, interact, debate and disseminate ideas amongst the distinguished professionals, eminent scientists, technologists, industrialists and traditional health care professionals. On behalf of the organizing committee and Society for Ethnopharmacology, India, it is our pleasure to invite you to participate in this congress and explore the opportunities. For further details please visit: [www.sfec2021.com](http://www.sfec2021.com)

**Society for Ethnopharmacology (SFE), India** is registered under the West Bengal Society Registration Act and also affiliated to the International Society for Ethnopharmacology. The society was formed in 2013 and has made its presence throughout the country, which provides networking opportunity for development and promotion of medicinal plants and ethnopharmacology. The society works on dissemination of knowledge in this area through different local chapters made in different parts of India with major highlights on "Globalizing local knowledge and localizing global technologies". For further details please visit: [www.ethnopharmacology.in](http://www.ethnopharmacology.in)

**International Society for Ethnopharmacology (ISE)** is an International scientific organization of researchers dedicated to the interdisciplinary study of the pharmacological actions of plants, animals, insects, and other organisms used in medicines of indigenous and modern, past and present cultures. The major objective of the ISE is to promote Ethnopharmacology as a scientific field of research. The Journal of Ethnopharmacology is dedicated to the exchange of information and understandings about people's use of natural products and their bio-prospecting.

For details please visit: [www.ethnopharmacology.org](http://www.ethnopharmacology.org)

### Major Highlights of the Congress

- Ethnomedicine and Ethnopharmacology in drug discovery and development
- Evidence based validation of traditional medicine
- Evaluation of safety, efficacy and quality of botanicals
- Translational Research Approach – Drug development from Botanicals
- Pharmacological evaluation of medicinal plants
- Identification and documentation of medicinal plants and traditional resources
- Herb-drug interaction studies
- Systems biology and synergy research aspects of natural product for drug development
- Quality control and standardization of Botanicals
- Spectroscopic Technologies for the Quality Control of Herbal Medicines
- Bioprospecting of medicinal plant products – an approach towards drug discovery
- Integrative approach for promotion and development of traditional medicine
- Development and evaluation of herbal formulation from botanicals
- IP rights, patents and regulatory affairs of medicinal plants
- Conservation & propagation of rare, endangered & threatened medicinal plants
